Note: The Price Marking Order 2004. Where goods are offered for retail sale, the selling price and – where appropriate – the unit price (for example, 65p per 100 g) must be given to consumers in writing (including prices in catalogues, shops and online).

The right-hand column provides unit prices as follows: Tablets and capsules are pence per tablet or capsule. Liquids, solids or powders are £s per 100ml or 100grams as appropriate. Exceptions are individually marked.

THE PRICE PER PACK TO BE PAID IS AS SHOWN IN THE SHADED COLUMN

All prices and postal charges include V.A.T. Every effort is made to maintain a fast and efficient service, but please allow 10 working days for receipt of your order.

If you change your mind you have the right to return unopened items for a full refund (including postage) within 14 days of receipt.
